

ECO International CO., Ltd (ECO CO) is an integrating of technology, manufacturing, and foreign trade, registered in Ningbo, China on Nov.7th, 2000. We are mainly working in Brass valves, heating system, pipe fittings, kitchen & bathroom, showers and taps and measuring system.

ECO CO has 2 holding joint-venture producing plants, separately for Brass Valves, Fittings, Kitchen and Bathroom and water meters. And In addition, we have more than 12 strategic cooperation ISO9001 factories for different products in meters, valves and sanitary & plumbing. The products are mainly exported to Europe, America and Southeast Asia, Especially to Italy, Germany, Poland, France, Ukraine, Moldova, Russia, and Singapore.

ECO CO not only supply high quality products, but also excellent service for customers, specially of technical support. We can offer product drawing, new product creating, product sourcing, packing design, quality control, shipment plan, documents, payment control and financing. Through staff members' diligent work, ECO CO won a good reputation and a big success in fierce competition.

ECO CO is warmly welcome customers, who will have a long term cooperation with us. We can offer your very good business conditions, such as shipment control, quality control, technical support and good after-sales service. We can be your reliable agent in China.

"Quality products, Best & fast service, Reasonable price" are our three advantages. We are looking forward to build good business cooperation and friendship with all the customers around the world.
